TOWN WARRANT

To the inhabitants of the Town of Lancaster qualified to vote in the town affairs:

You are hereby notified to meet at the Town Hall in said town on the second Tuesday of March next, at 10 o'clock in the forenoon, to act upon the following subjects:

1. To choose a Town Clerk for the ensuing year.
2. To choose one Selectman for three years, a Treasurer, a Prosecuting Agent, one Trustee of trust funds for three years, one Library Trustee for three years and one Library Trustee for one year, three members of the Col. Town Spending Committee for three years and other necessary officers for the ensuing year.
3. To see what sum of money the town will vote to raise for the following purposes:
 - First: To meet current expenses of the town and apply on the principal and interest of the town debt.
 - Second: For Highways and Bridges and Town Maintenance.
 - Third: For building and repairing sidewalks and sewers.
4. To direct how money raised for any of the above purposes be expended.
5. To see what action the town will take in regard to an act for State Aid and for the expenditure of other public monies in the permanent improvements of main highways throughout the State, passed Feb. 5, 1925, and amendments thereto, and raise money for the same.
6. To see if the town will vote to adopt the provisions of Chapter 69, Laws of 1929, said chapter being entitled "An Act authorizing towns to establish the office of Town Manager."
7. To see what action the town will take to acquire or establish, maintain and operate a suitable Municipal plant for generating electricity for such purposes as the town may, from time to time, authorize and direct, and to raise money for the same.
8. To see if the town will authorize the Selectmen to administer or dispose of any real estate acquired by the town through Tax Collector's deeds.

9. To see what action the town will take in regard to building a sidewalk on Stevens Terrace from Bunker Hill Street to High Street.

10. To see what action the town will take in regard to discontinuing an open highway and make subject to gates and bars, the following part of the Brook Road from the buildings of Marietta Sedgell to the buildings on the estate of James Truland.

11. To see if the voters will empower the Selectmen to buy the John Paul farm, the Mike Davie farm and the Martha Hartford farm, any time that same can be bought for a fair price, and hire money for the same.

12. To see what action the voters will take in regard to establishing wages on town work.

13. To see if the town will vote to authorize the Selectmen to hire money on temporary notes in anticipation of taxes, covering period from March 13, 1934 to the Annual Meeting of 1935.

14. To see if the town will vote to choose a Budget Committee for the ensuing year.

15. To see whether beer or other lawful alcoholic beverages shall be manufactured or sold locally in the town of Lancaster.

16. To transact any other business which may legally come before said meeting.

Given under our hand and seal at Lancaster, this 26th day of February, 1934.

G. E. STONE,
O. E. WENTWORTH,
A. F. STICKNEY,
Selectmen of Lancaster.

A true copy, attest:

G. E. STONE,
O. E. WENTWORTH,
A. F. STICKNEY,
Selectmen of Lancaster.

COL. TOWN SPENDING COMMITTEE

CHAIRMAN'S REPORT

The past year has been a period of reduced income from the Colonel Town Fund and correspondingly, a rather embarrassing and trying one for the committee to administer to the satisfaction of all.

From the time in 1927 this fund became available up to October of 1933, the income from the fund left by Colonel Town has remained fairly uniform. In other words, interest from the securities which Colonel Town left had passed through the depression successfully without "passed dividends" or dividends materially decreased.

October, 1933, witnessed the first serious decrease in incomes from securities. This decrease which began in October, prevailed again in January. The investments in securities of the fund which Colonel Town left the people in Lancaster have four dividend paying periods—January, April, July and October. The annual income has ranged from a high in 1930 of \$24,210.86 to a low in 1932 of \$21,059.67, prior to year of 1933.

With this range, the committee has functioned on the basis of having approximately \$20,000 to spend. This fiscal year, as the Treasurer's report will show, the gross income was \$16,544.48.

The income in 1932, from February 1 until October 1, was \$9,800. From February 1 until October 1, 1933, the income was \$9,500 or approximately the same. The income from the fund in 1932 from October 1 to February 1, was \$11,259.67. From

October, 1933, to February 1, 1934, the income was \$7,044.48—a decrease in income for the October and January paying period of 1933 of \$4.215.

This decrease in income has materially handicapped the activity of the Spending Committee in making appropriations during the latter part of the year, many of which by necessity were less than the requests and some have been entirely eliminated.

The appropriations by the committee during the first half of the year were made on the assumption that the income would be virtually the same as in previous years as the income had passed through three years of the depression successfully without materially being reduced. Business in the country as a whole was slightly on the up trend of improvement and the committee had no reason to believe that available income would be less this year than in previous years. In fact, the depression had passed over such a long period without affecting the income that the committee felt quite confident that the money available for 1934 would be approximately the same as it had for the previous depression years.

The committee has not spent any more during the period up to October 1, in 1933, than it had in previous years. As a matter of fact, it had not spent quite as much. The high for the period, February 1 to October 1, was \$11,680.31 in 1932, while for the same period in 1933, \$10,913 was spent.

The shortage of funds for disbursement in the last period of the year might be considered due to too generous spending in the first part of the year but the fact that the appropriation up to October 1 was less than the average since 1930, would indicate that the committee was not spending the money before they received it. The demands in the earlier months are always heaviest as is natural.

With approximately \$20,000 available, our people have assumed certain phases of activities which absorb practically the entire income. However, now that this income has been reduced because of the depression, the appropriations made in the future necessarily must be smaller. This will prove disappointing to some but we must not forget that even though the income is small, it is still a gift and the people of Lancaster are fortunate to have a gift regardless of its size, even though it cannot do all we would wish it.

Many have been disappointed in requests for appropriations this year. The committee regrets this unfortunate state of affairs and has attempted to do the very best it could under the circumstances. Unfortunately, they are only a "spending committee" and can spend only that amount of money which becomes available to them.

Many mistakes of judgment, no doubt, have been made in disbursing the funds derived the last year. However, the committee members are human and act only as your agents and have done the best they could in meeting situations as they have arisen.

We trust those forced to receive curtailed appropriations or to have worthy requests denied will appreciate that the committee can spend no more money than they have to spend. The same situation prevails with them as prevails with all of us. We, the committee, have less to spend and so, just as all of us do as individuals, must spend less even if it means the denial of things we would like. We thank those many who have worked and cooperated with us and have appreciated the difficulties.

A few tables relative to the history of the fund follows:

Chairman.

SECRETARY'S REPORT

The Spending Committee is composed of a group of nine members, each elected for a period of three years. At the Town Meeting of 1933, Carroll Stoughton and Katherine Lane were re-elected on the committee and Rev. R. P. McClintock was elected to replace Harold Alden.

As it is now composed, the committee consists of Fred C. Congdon, Dr. W. M. Bronson and Mrs. Fanny W. Moses, whose terms expire in 1934; D. A. O'Brien, Enos G. Fay and Miss Evelyn Moyle, whose terms expire in 1935; Carroll Stoughton, Rev. R. P. McClintock and Katherine Lane, whose terms expire in 1936.

The officers for 1933 were D. A. O'Brien, Chairman, Miss Evelyn Moyle, Secretary, and Enos Fay, Treasurer. Committee appointments for the year 1933, more effectively to administer to the funds and activities, consisted of: House Committee—Fred Congdon, Chairman, Dr. W. M. Bronson and Mrs. Fanny Moses; Field Committee—Carroll Stoughton, Chairman, Dr. W. M. Bronson and Rev. R. P. McClintock; Scholarship Committee—David M. White, Chairman, Mrs. Fanny Moses and Carroll Stoughton; Camp Committee—Rev. R. P. McClintock, Chairman, Mrs. Katherine Lane and D. A. O'Brien; Playground Committee—Mrs. Katherine Lane, Chairman, Fred Congdon and D. A. O'Brien; Special Committee—Fred Congdon, Chairman, Carroll Stoughton and Miss Evelyn Moyle.

Appropriations for the year are shown in the Treasurer's report. Some of these, as will be noted, were somewhat reduced, due to decreased income.

After having this fund available for several years the people have acquired certain rather specific and definite projects which are being supported through the fund each year.

The appropriations for new activities are becoming less and less, as the established projects absorb practically all the available money.

Arrangements were made by the committee to have flowers placed on Colonel Town's grave Memorial Day and a fresh bouquet was put on each Saturday following Memorial Day for the remainder of the summer. This was in compliance with a stipulation in the will.

Appropriations for Colonel Town school prizes and the support of the Boy Scouts, as stipulated in the will, were made by the committee. A slight change in the prizes was made so that each contestant that successfully reached the point of competition in the prize speaking contest was awarded a small prize. The amount for such prizes, therefore, was slightly increased.

Of the new projects this year, the most outstanding was the establishment of two tennis courts on the Community Field. The construction of these courts consumed nearly the entire summer but the courts were available during the fall months and proved extremely popular.

The only other money spent by the committee, without request, was the building of a fireplace at the Community Camp in the new Community Hall. This building was not completed as sufficient funds to do the job were not available. It is, however, completely roofed and has a fireplace.

Two slight changes were made in the use of the Community House. One made available the use of the house for free bowling for women on Wednesday night and it proved fairly popular. A free night for men also, for all the activities, except bowling, was available during the winter and spring of 1933. This work was greatly aided in its efficiency by Mr. E. C. Reneau, who made no charge for his services.

The Spending Committee guaranteed the Chautauqua, as in the past, but because of the inability of some towns to entertain Chautauqua, Lancaster was deprived of this entertainment. It has been sponsored again for 1934.

Transportation for High School students outside the town limits was provided although in a somewhat curtailed manner. Three hundred dollars was added to the fund for the spring of 1933 and \$500 was made available later, both appropriations coming within the year.

Community Camp was continued with Victor Leavitt again as caretaker. It proved more popular in 1933 than in any year previously and is becoming a real resort for the residents of the town.

Support was continued to the Juvenile Department of the local library, a branch of the Public Library, housed in the same building.

The appropriation for the golf course was made with the stipulation of free golf for residents of the town on one afternoon each week. This was changed from last year when a definite afternoon was assigned, but people were often prevented from using it because of rain on that afternoon.

The Scholarship Loan Fund, one of the largest appropriations made by the committee, was continued. The loan per individual student was reduced while the number served increased which con-

tinued the fund as one of the largest of the appropriations. By reducing the amount of the individual loan, however, a greater number was accommodated. Fifteen Lancaster boys and girls were aided in securing advanced training of some character during the present year. Loans granted students are protected by notes, signed by the borrower and endorsed by parent or guardian. All appropriations made to the Scholarship Loan Committee are from the general fund's income and not from invested funds. This fund has been very successfully handled under the guidance of D. M. White, the only member of the committee who is not a member of the Spending Committee. Mr. White has given freely and generously of his time and knowledge in the handling of the important sub-committee and merits the appreciation of all the members of the Spending Committee.

Appropriations for the Lancaster Hospital Auxiliary were continued although in a very curtailed manner.

The Lancaster Band was given a smaller sum, but the amount available prevented appropriations in proportion to the importance of this organization.

The Playground at the Community Field was continued and proved as popular as in the past.

The committee provided the prize money at the Lancaster Fair for 4-H Boys and Girls who won prizes that lived in the town of Lancaster.

One of the most important appropriations, although one of the smallest, was the one made to George Grondin in support of the skating rink. Mr. Grondin assumes all the responsibility and permits very generous use of the rink to townspeople. It is, perhaps, one of the most valuable appropriations made for the young people of the community.

A small appropriation was made to each of the two ball teams in the outlying district of the town.

Some repairs had to be made on the Community House this year. The plaster on the ceiling fell off in two rooms and required replacement which was done with steel, making the replacement permanent and safe.

Free use of the hall has been given on a few occasions, including the Hospital Auxiliary Ball and the President's Ball, etc.

The committee is indebted to Supt. M. J. Daley, who had general charge of the construction of the tennis courts, and whose supervision has resulted in the construction of courts equal to any that could have been obtained through professional contractors.

Respectfully submitted,

EVELYN MOYLE,

Secretary.

REPORT OF SCHOOL COMMITTEE

At the annual meeting of the Town School District held in March 1933, Mr. Chester Marshall was re-elected for the three year term.

All nine of the district schools are in a state of good repair, and a small outlay each year will keep

them in good condition. It has been possible to reduce somewhat the cost of the elementary schools, but the large increase in the number of pupils attending high school entails a fixed charge that cannot be reduced. For instance, the cost of high school tuition in 1917 was only \$800, whereas this past year was over \$2900.

A part of last year's high school tuition was not paid until after the close of the fiscal year, and hence the total amount for this item is the sum of \$604.72 plus \$2333.60, or \$2938.32, as will be seen from the financial report.

For further information you are referred to the report of the Superintendent.

REPORT OF THE SUPERINTENDENT

*To the Honorable School Board and Citizens
of Lancaster:*

Enrollment

The number of pupils registered in the rural school is less than last year, but the total number of pupils attending the high school is the largest in the history of our school system, namely 58 pupils in Lancaster High, and three at Whitefield.

Teachers

The teaching force remains the same as last year.

Repairs

New fences were built at Number Two and Number Nine. The porch floors were rebuilt at Number Six and Number Nine.

Scholarship

Many evidences exist to prove that a high standard of scholarship is maintained in our rural schools. Three out of seven on the honor roll in the Freshman Class at Lancaster Academy are graduates of the Town District Schools. On several standard tests, the District Schools were above the nation-wide averages.

Health

Many physical defects were treated this past year, thus removing handicaps that would prevent normal development. Special mention should be made of the dental clinics made possible by the efforts of the Hospital Auxiliary.

Education in a Democracy

Depressions do not last forever. In time individual initiative will enable those with talent to become leaders in working out the destiny of our nation. The world demands trained workmen whether in field or shop. A loss in education today can never be regained. In times of disaster, build for the future.

WILLIAM G. FULLER.

Lancaster Public Library

The Lancaster Public Library started its twenty-sixth year in the Weeks Memorial Building, on March 21, 1933.

The number of books given out during the past year were 16,961—3,363 of these were non-fiction.

Only 58 books have been added to the Adult Library during 1933. Our circulation has increased and the need for new books is more essential than ever.

Mrs. Horace Holton is filling the vacancy made by the resignation of Mrs. Merrill Shurtleff from the Board of Trustees, until the next Town Meeting.

During the absence of Miss Martha Brackett for three months the Library work has been carried on by Barbara Smith and Betty Ray.

MARTHA W. BRACKETT,
Librarian.

Juvenile Library Report

The big event of the year in the Juvenile department was the Book Week celebration. Greater interest than ever before was created by this occurrence. Contests were held in the Grammar grades, where prizes were offered by the Unity and Rotary Clubs. The culmination of the week was reached on Thursday, November 17th, when an assembly was held in the High School auditorium. The program was planned by the Juvenile librarian and consisted of a play presented by the members of the Junior English class of the High School, "The Book Revue;" several selections of vocal and instrumental music arranged by the school music teacher, and the presentation of the prizes by Mrs. Annie F. Hastings, of the Library Board of Trustees. The librarian appreciates the cooperation of all who helped to make this Book Week so successful. On Friday afternoon, November 18th, Mrs. Annie F. Hastings told stories to the members of the Third Grade.

In July, the librarian attended the Library Institute held in Manchester, and two days of a similar one held in Littleton in October. These institutes give much valuable information and is so condensed and supervised to give the maximum of aid.

New equipment added during the year was the fourth corner bookcase.

Mrs. Ellen Davis Young of Virginia, formerly Juvenile librarian in Lancaster, gave two very interesting dolls made by the mountaineers of Kentucky, Tennessee and Virginia.

Since thirty books were received from the late Judge Oakes private library last year, only forty-two new books were added during the year, among them, two gifts, and two being replaced by losers. The circulation was 5,639; non-fiction 1,088. Money received from fines amounted to \$18.67.

ELAINE F. HICKEY,
Juvenile Librarian.
